For years, the CMC dreamed of providing a quiet, affordable getaway for full-time Christian leaders. This spring, we were approached by board members of the East Braintree Community Church and asked if the CMC could envision repurposing the building so that ministry could continue at this site. With the endorsement of the trustees and conference ministerial, it was agreed that we move forward with accepting the gift of the church and property. As of today, plans are being finalized for this place of rest. The CMC is deeply grateful to the Lord for His provision and for the thoughtful generosity of the East Braintree Community Church and pray that members of the community are greatly encouraged with the fact that ministry will indeed continue on the property and that the Lord will continue to build His church as His workers spend time in creation with Him in rest and study.
